

## LEPC Technician

The Lake County Local Emergency Planning Committee is accepting resumes for the part-time, averaging 20 hours per week position of LEPC Technician. Under supervision of the County EMA Director and Chairman of the LEPC, candidate will conduct technical assessments for the LEPC on matters of hazardous materials, waste and related environmental concerns of any nature. Responsibilities of the position also include establishing an annual training schedule based on strengths and weakness and remediation for needs of the county Hazardous Intervention Team that will include monthly drills and the annual State Emergency Response Commission (SERC) exercise. Duties will also include developing lesson plans, maintaining records, attending schools and workshops, maintain SDS files and reports, serve as a liaison with industry and perform related duties as may be required by the LEPC board and EMA Director. Must have a minimum of five (5) years of experience in HazMat Technician level or equivalent and familiar with various government environmental regulations and procedures. Must have a valid State of Ohio driver's license and be able to work flexible hours.

Send resumes via email, to the ATTN: Joseph A. Busher, [joe.busher@lakecountyohio.gov](mailto:joe.busher@lakecountyohio.gov) by February 7, 2025.

Starting Pay: \$26.00-\$28.00 hourly
